2. Click on the box in the corner

The screenshot shows the OpenSea interface with a modal warning about an unreviewed collection. The modal is titled "This is an unreviewed collection" and contains a magnifying glass icon with an exclamation mark. Below the icon, it says "Review this information to ensure it's what you want to buy." followed by an information icon. The modal lists the following details:

Collection name	PepeCry
Creator	Gam3rBoy57_ (member since Jan 24, 2022)
Total sales	0 sales
Total volume	---
Social links	Not specified
Show more	

At the bottom of the modal, there is a checkbox and the text: "I understand that OpenSea has not reviewed this collection and blockchain transactions are irreversible." A red arrow points to this checkbox.

The background shows the collection page for "PepeCry" by "Gam3rBoy57_". The page includes a profile picture of a character with sunglasses and a gold chain, a search bar, and navigation links like "Explore", "Stats", "Resources", and "Create". The page also shows a "Description" section and a "Listings" section.

3. Confirm your checkout

The screenshot shows the OpenSea interface with a 'Complete checkout' modal open. The modal displays the item 'PepeCry #1' with a subtotal of 0,001 ETH and \$2,55. The total is also 0,001 ETH and \$2,55. A red arrow points to a blue 'Confirm checkout' button at the bottom of the modal.

Sell an NFT

1. Click on the NFT you want to sell

The screenshot shows the OpenSea interface. At the top, there is a search bar and navigation links for 'Explore', 'Stats', 'Resources', and 'Create'. Below this is the user profile for 'Gam3rBoy57_'. The main navigation bar includes 'Collected 1', 'Created', 'Favorited 2', 'Hidden 0', 'Activity', 'Offers', and 'Listings'. The 'Collected' tab is active, showing a search bar and filters for 'Single Items' and 'Recently Received'. A single NFT is displayed, titled 'PepeCry' with the identifier 'PepeCry#1'. The NFT image shows a green frog-like character with a sad expression, wearing a blue suit and a purple tie. A red circle is drawn around the NFT image and its title.

2. Click on the Sell-button

The image is a screenshot of the OpenSea website interface. At the top left, the OpenSea logo is visible. A search bar contains the text "Search items, collections, and accounts". On the top right, there are navigation links for "Explore", "Stats", "Resources", and "Create", along with a user profile icon. Below the navigation bar, there are two buttons: "Edit" and "Sell". The "Sell" button is highlighted with a red circle, and a red arrow points to it from the right. The main content area shows a digital asset titled "PepeCry#1" owned by "you". The asset is a cartoon frog-like character with green fur, blue clothing, and purple accessories. Below the asset image, there are sections for "Description", "Created by you", and "About PepeCry". To the right of the asset, there are sections for "Price History" (showing "All Time" and "No item activity yet"), "Listings", and "Offers" (showing "No offers yet").

3. Set a price and list your NFT

The screenshot shows the OpenSea interface for listing an NFT. At the top, the OpenSea logo and a search bar are visible. The user's profile, 'PepeCry', is shown in the top left. The main section is titled 'List item for sale'. Under 'Price', the currency is set to ETH and the amount is 0.001, which is highlighted with a red box. Below this, the duration is set to 28 days. Under 'Fees', the service fee is 2.5%. A blue button labeled 'Complete listing' is circled in red, with a red arrow pointing to it. To the right, a 'Preview' section shows the NFT: a green frog wearing glasses and a blue shirt. Below the preview, the seller's name 'PepeCry' and the price '0,001' are displayed.
