

How to register on OpenSea

1. Go to OpenSea.io and click on the button that we marked right here

The image shows a screenshot of the OpenSea website homepage. At the top left is the OpenSea logo. A search bar is located in the top center. The top right navigation bar contains links for 'Explore', 'Stats', 'Resources', and 'Create', followed by a profile icon and a gallery icon. A red circle highlights the profile icon, with a red arrow pointing to it from the right. The main content area features a large heading: 'Discover, collect, and sell extraordinary NFTs'. Below this is a sub-heading: 'OpenSea is the world's first and largest NFT marketplace'. There are two buttons: 'Explore' (blue) and 'Create' (grey). A link 'Learn more about OpenSea' is also present. To the right is a featured NFT card for 'TV#38' by 'iamsati', showing an illustration of a person with a television for a head. Below this is a 'Notable Drops' section with three featured NFTs: a colorful mosaic of wings, a stylized face with eyes, and a black and white checkered floor with people.

2. Register with any wallet you want. We recommend using MetaMask

The screenshot shows the OpenSea website's wallet connection page. At the top, the OpenSea logo is on the left, and navigation links for 'Explore', 'Stats', 'Resources', and 'Create' are on the right. A search bar is positioned below the logo. The main heading is 'Connect your wallet.', followed by a subtext: 'Connect with one of our available wallet providers or create a new one.' Below this, there is a list of wallet providers: MetaMask (marked as 'Popular'), Coinbase Wallet, WalletConnect, and Fortmatic. A 'Show more options' button is at the bottom of the list. Further down, there are two sections: 'Stay in the loop' with a mailing list sign-up form and a 'Sign up' button, and 'Join the community' with social media icons for Twitter, Instagram, Discord, Reddit, YouTube, and Email. The footer contains the OpenSea logo and five columns of links: Marketplace (All NFTs, Art), My Account (Profile, Favorites), Resources (Help Center, Platform Status), and Company (About, Careers).

What is a Secret Recovery Phrase?

Your Secret Recovery Phrase is a 12-word phrase that is the "master key" to your wallet and your funds

How do I save my Secret Recovery Phrase?

- Save in a password manager
- Store in a bank vault.
- Store in a safe-deposit box.
- Write down and store in multiple secret places.

Should I share my Secret Recovery Phrase?

Never, ever share your Secret Recovery Phrase, not even with MetaMask!

If someone asks for your recovery phrase they are likely trying to scam you and steal your wallet funds

7. Don't share your Secret Recovery Phrase!

Don't lose your Secret Recovery Phrase because it is your only way to recover your wallet if you forget your password

11. Now authorize your login by clicking on „Next“ at the popup

The image shows a browser window with the OpenSea login page. The main content area is titled "Connect your wallet." and lists several wallet providers: MetaMask (marked as Popular), Coinbase Wallet, WalletConnect, and Fortmatic. Below these is a "Show more options" button. At the bottom of the page, there is a "Stay in the loop" section with an email sign-up form and a "Join the community" section with social media icons for Twitter, Instagram, Discord, Reddit, YouTube, and Email.

Overlaid on the right side of the browser window is a "MetaMask Notification" popup. The popup title is "Connect With MetaMask" and it asks to "Select account(s)". It shows a checked checkbox next to "Account 1 (0xe9d...4551) 0 ETH". At the bottom of the popup, there are two buttons: "Abbrechen" (Cancel) and "Weiter" (Next). The "Weiter" button is circled in red, and a red arrow points to it from the bottom right of the image.

And there you have your own OpenSea account.

The screenshot shows the OpenSea user profile for 'tutotv'. At the top, the OpenSea logo and a search bar are visible. The profile header features a banner image with the word 'TECH' and a cartoon character. The user's profile picture is a circular avatar of a dog wearing 3D glasses. Below the name 'tutotv' is the wallet address '0x61f7...2096' and social media links for 'tutopolistv' on Twitter and Instagram. The user's bio reads 'Hi' and 'Joined January 2022'. A navigation bar below the bio shows 'Collected 264', 'Created', 'Favorited 3', 'Activity', and 'Offers'. The main content area displays a grid of six NFTs, all featuring different styles of dog avatars with various accessories like bandanas, goggles, and mustaches.
